

Footprinters 911 Dispatcher of the Year Award

Mark Murphy has been a dispatcher at Lincoln 911 Emergency Communications since March 8, 1989. At present Mark serves as a shift supervisor for the Lincoln 911 Center.

Mark was selected as the Communications Center's "Dispatcher of the Year" for his outstanding performance in many different areas. Throughout the past year, he has received several accommodations both internally and from outside agencies. Other factors that were taken into consideration were his skills as an Emergency Medical Dispatcher, annual rating and cooperative attitude.

Mark always strives to provide the best possible service to the community and to the users that he dispatches for. He provides excellent leadership to the dispatchers on his shift and always there to help and assist in any way possible.

Because of his leadership, attitude and dispatching skills, the Capitol City Footprinter's have awarded Mark Murphy as the 2004 Dispatcher of the Year for the Lincoln 911 Center. Mark was presented his award on February 19th, 2005 at a ceremony and dinner held at Imperial Palace in Lincoln, Nebraska.

Congratulations, Mark!
